

Appendix G

Visual Resources Existing Condition Report

Photo 1. Segment 1. View of Salt Springs Powerhouse Area.
Existing PG&E 21 kV line is coming down hillside on the left.

Photo 3. Segment 2. View north from Cole Creek Road (FS Road 8N16)
of existing PG&E 21kV line above Cole Creek.

Photo 2. Segment 1. View north from FS Road 8N50 near the gauging
station below Salt Springs PH. Existing PG&E line is not noticeable.

Photo 4. Segment 2. View up hill (south) showing existing PG&E corridor
from FS Road 8N03.

Photo 5. Segment 3. View south across FS Road 8N03 on Bear River Dam.

Photo 7. Segment 4. View of ridge separating Hwy 88 from Bear River Road where Project power line would be buried.

Photo 6. Segment 4. View east of FS Road 8N31 (power line alignment) just north of Hwy 88.

Photo 8. Segment 4. View of power line alignment, in FS Road 8N31, east of Caltrans Peddler Hill Maintenance Station entrance road.

Photo 9. Segment 5. West end of Segment 5, where power line follows FS Road 9N96, to the north of Hwy 88.

Photo 11. Segment 5. View east of Hwy 88 and the north (left) side of Hwy 88 and the Old Alpine Hwy alignment.

Photo 10. Segment 5. View of Old Alpine Hwy alignment looking east from FS Road 9N14. Hwy 88 is to the right.

Photo 12. Segment 5. View of Old Alpine Hwy on private property at (Coral Flat) next to Hwy 88.

Photo 13. Segment 5. View north of FS Road 10N50. Alignment would cross road at snow mobile crossing (Old Alpine Hwy).

Photo 15. Segment 6. View of westbound Hwy 88 from Caltrans Storage Shed entrance.

Photo 14. Segment 6. View east of Hwy 88. Alignment follows the Old Emigrant Trail Road (dirt road on left).

Photo 16. Segment 6. View of eastbound Hwy 88 at Caltrans Storage Shed entrance road. Emigrant Trail Rd is to the left.

Photo 17. Segment 6. View of western terminus of Emigrant Trail near Devil's Garden Vista Point, north of Hwy 88.

Photo 19. Segment 7. View east of Hwy 88 at Devil's Garden Vista Point. Alignment would be in Hwy 88 ROW on north (right) side of the road.

Photo 18. Segment 6. View west of Hwy 88 from near Maiden's Grave. Alignment would be on the north side (right) of Hwy 88 ROW.

Photo 20. Segment 7. View west of Hwy 88 at Devil's Garden Vista Point. Alignment would be in Hwy 88 ROW on north (left) side of road.

Photo 21. Segment 9. View of Volcano Optic Cable ROW near Tragedy Springs Picnic Area and Emigrant Trail Road.

Photo 23. Segment 9. View of Tragedy Springs Road crossing meadow near intersection with Hwy 88.

Photo 22. Segment 9. View of Volcano Optic Cable ROW near Tragedy Springs Picnic Area and Emigrant Trail Road.

Photo 24. Segment 10. View of Volcano Optic Cable ROW near Hwy 88. Orange "call before digging" warning post can be seen.

Photo 25. Segment 11. View west from Hwy 88 showing entrance road to Shealor Lake Trailhead.

Photo 27. Segment 15. View northwest from Hwy 88 of Silver Lake West Campground entrance.

Photo 26. Segment 11. View west of Hwy 88. Alignment would be in the Hwy 88 ROW of higher elevation, forested landscape.

Photo 28. Segment 16. View of Old Alpine Hwy from Oyster Creek Picnic Area looking northwest across Hwy 88.

Photo 29. Segment 18. Eastbound view (looking north) from Hwy 88. Alignment would be in the Old Alpine Hwy (to the left of the road).

Photo 31. Segment 18. Eastbound view from Hwy 88 south of Martin Meadows CG. Old Alpine Hwy is on the left side of the road (west).

Photo 30. Segment 18. View west from Hwy 88 of Old Alpine Hwy crossing a meadow on private land.

Photo 32. Segment 18. View northwest into Martin Meadows Campground from Hwy 88.

Photo 33. Segment 19. View north from Hwy 88 of Old Alpine Hwy on bench above road.

Photo 35. Segment 20. View east from Hwy 88 of Carson Spur.

Photo 34. Segment 19. View west of Hwy 88 at sign for Thunder Mountain Trailhead, which is on the left side of the road.

Photo 36. Segment 20. View west from Hwy 88 at Carson Spur.

Photo 37. Segment 20. View north from the Hwy 88 pullout at Carson Spur, looking into the Caples Lake Wilderness Area.

Photo 39. Segment 22. View east from Kirkwood Meadows Drive towards East Kirkwood Meadows Drive.

Photo 38. Segment 20. View east from Hwy 88 near entrance to Kirkwood Meadows Drive.
