Advanced notification will enable the District to swiftly resolve such requests and ensure accessibility.

The Agenda for this Regular Meeting is:

- 1) **Low-Income Program.** Discussion & possible action.
- 2) **Large Propane Users Fuel Switching.** Update.
- 3) Next Meeting/Staff Recommendation: *Wednesday, May 15, 2024 - 3:00pm.*

The Kirkwood Meadows Public Utility District is an equal opportunity provider and employer.

In compliance with the Americans with Disabilities Act, if you are a disabled person and you need a disability-related modification or accommodation to participate in this meeting, please contact the District at (209) 258-4444, by email to info@kmpud.com. Requests must be made as early as possible, and at least two business days before the meeting.

The Board set aside 5% of the total annual PBC funding for this program, or approximately \$2,000 per year. Expected costs for the above range from approximately \$240 to \$340 per eligible customer per year. At the above amounts, this could fund 6-8 low-income customers annually.

Recommendation:

As noted by some on the Planning Committee, a % usage rate discount may be contrary to the District's electricity conservation/energy efficiency goals.

As both the % and flat rate are approximately the same, and as there are at least 3 known (based on the surveys) and the District should provide for more, as yet unidentified customers, Staff recommends a \$21/month low-income discount program.
