3	Our daughter likes the Play Structure and the Climbing Wall	12/30/2019 8:30 AM
4	All of them!	12/27/2019 2:02 PM

15	The survey won't let me click all of the bubbles. My kid uses all of the playground structures and activities.	12/20/2019 9:03 PM

Q9 How can the current playground be improved?

Answered: 55 Skipped: 139

## Kirkwood Community Playground

#	RESPONSES	DATE
1	Better boundaries, better separation from the meadow, better seating for parents	1/1/2020 6:46 PM
2	It could be enhanced to provide more play options for older kids such as climbing webs	12/30/2019 9:23 AM
3	Totally biased: Our daughter likes rings and monkey bars and anything related to obstacles (she's in a Ninja Warriors youth class at home), such as climbing structures, ropes (swinging - again she likes rings and monkey bars), and anything for balance exercises	12/30/2019 8:30 AM
4	sand volleyball court	12/29/2019 10:27 PM
5	It's in a lovely setting but doesn't do a good job at all making use of the setting for play. A fun rock pile with slide down would be amazing. Or creatively using some cut down tree trunks to make a bridge. All the stuff there feels old, partially broken, and minimal.	12/27/2019 2:02 PM
6	It is not bad how it is.	12/26/2019 8:48 PM
7	water features - it can get dusty and hot and sometimes there are bees. A tire swing would be a total hit. Monkey bars and slides are also a hit.	12/21/2019 8:06 PM
8	We like the park the way it is.	12/21/2019 5:11 PM
9	A garbage can.	12/21/2019 12:58 PM
10	Change it into a mini-golf course for everyone.	12/21/2019 8:33 AM
11	Structures that are for slightly older children. A ground covering besides sand, the baby swings need to be higher off the ground. What about a giant tire swing, something for bigger kids to climb on (ropes course like), a structure that spins and kids can hang on to. Larger slides. A water fountain!!! What about natural wooden structures for kids to hide in.	12/21/2019 8:24 AM
12	Maintain and repair - Safety hazard...24/7	12/21/2019 6:57 AM
13	Shade and a wind break	12/21/2019 1:34 AM
14	Grading and general maintenance	12/20/2019 10:35 PM
15	I like the current playground. I think the idea works as is but could just use an update. Possibly expansion. Maybe a more "natural" feel that blends with the mountain and meadow theme. More like the playground I noticed at northstar that is more wooden/log adventure or hiking type of feel.	12/20/2019 9:56 PM
16	Adding a rope/web structure. Kids of all ages enjoy these. Adding a couple of disc golf baskets so adults can practice while kids play. Adding one more picnic small table. Kids love the diggers, but the current ones need to be replaced.	12/20/2019 9:03 PM
17	Close it no one really uses it	12/20/2019 9:03 PM
18	Like it as is but could add things like a mini zip line, other types of swings, etc.	12/20/2019 8:45 PM
19	It's geared for a narrow age range. It would be good to accommodate both your and older kids maybe 2-8.	12/20/2019 7:42 PM
20	New equipment	12/20/2019 7:02 PM
21	Climbing cables or web	12/20/2019 1:44 PM
22	A more modern structure could be installed. Something with zipline and that looks good for the area.	12/20/2019 11:57 AM
23	Maintain facilities	12/19/2019 4:59 PM
24	It doesn't have to be much of a play structure. Swings. cost of course would be something. ADA.. I would support structure that would double as a top of sled hill, also doesn't have to be much. Has to be designed to be functional. There is more people during snow season why no tube hill?	12/19/2019 3:11 PM
25	The diggers were hard to use, but otherwise, we thought it was pretty user friendly.	12/19/2019 2:25 PM
26	Remove it.	12/19/2019 12:20 PM
27	additional playground structures	12/19/2019 10:45 AM
28	more entertaining maybe?	12/18/2019 10:03 PM
29	Playground is great!	12/18/2019 8:29 PM

## Kirkwood Community Playground

38	Updated and put in items adults can do for outside exercise	12/18/2019 3:01 PM
39	I donated a bench because I like to sit and watch the kids play. It would be nice to have a second bench. Please provide a toilet.	12/18/2019 2:12 PM
40	Don't close it for one! Bigger/fancier/taller play structure would be nice, but regardless it's really important to us that it stays in place, even as-is. Losing access to this resource would be a punch in the nose - Kirkwood's activities are dropping off faster than they are increasing. Not interested in finger pointing why this has happened, but we do need to stop the bleeding.	12/18/2019 2:00 PM
41	More climbing structure. Open play area/field.	12/18/2019 1:44 PM
42	more diversity. lower tech. sandbox?	12/18/2019 1:20 PM
43	Install some play equipment for older children, 8-12 years. A zip line would be great. Swings are always good.	12/18/2019 1:03 PM
44	More natural play spaces like logs and stumps to climb on. Slides built into a natural play scape. Differing height hills/mounds to climb on.	12/18/2019 1:01 PM
45	I really miss the water fountain. A bigger climbing wall area would be nice and fit the mountain environment. Ensure there's shade for any seating areas.	12/18/2019 12:56 PM
46	I personally like a more rustic look, particularly in the woodsy setting of Kirkwood. I'd love to see more challenging (higher, requiring balance or movement) pieces for older kids. I'd also love it if adults could somehow also use it for fitness exercises.	12/18/2019 12:25 PM
47	Some kind of playhouse--swing bridge	12/18/2019 12:24 PM
48	Add restroom	12/18/2019 12:22 PM
49	Remove the eyesore and put some rocks and trees for the kids to climb on. There is plenty of playgrounds in the urban tracts for parents to neglect their kids sense of adventure.	12/18/2019 12:01 PM
50	Lower monkey bars, swinging bridge, balance beam or tree stumps for hopping from one to the next	12/18/2019 12:00 PM
51	Playground is good the way it is. But to improve, some of the open ended/less structured structures allow a wider range of kids to enjoy. For example rustic logs balanced on each other like some play structures where young kids can play pretend underneath or work on balance on logs and older kids run and jump and balance, etc.	12/18/2019 11:56 AM
52	More climbing wall would be great - ties well with Kirkwood outdoor adventure vibe. Thank you!	12/18/2019 11:48 AM
53	Bigger structure and/or another swing for older kids. My 9-year old has largely outgrown this playground but at others she likes swings. Tire swings too!	12/18/2019 11:26 AM
54	something for older kids	12/18/2019 11:26 AM
55	The whole thing needs to be modernized, and so do the tennis courts, they are in really bad shape!	12/18/2019 11:21 AM

## Kirkwood Community Playground

#	RESPONSES	DATE
1	It's a great space and complements being outdoors. While not related to the playground, it seems that the tennis courts and basketball area are not utilized as much (one opinion). Maybe skateboard park in place might get use.	12/30/2019 8:30 AM
2	The annual maintenance cost of \$22k seems extremely high.	12/28/2019 9:49 AM
3	Where is it?	12/26/2019 4:03 PM
4	It's nice to have a playground for the kids!	12/25/2019 9:13 AM
5	No need for a playground. It has hardly ever been used and does not justify the space and expense.	12/22/2019 7:04 AM
6	There is an amazing set of play equipment at Old Morse Park in Cambridge MA. The only downside is it can get hot in the sun.	12/21/2019 8:06 PM
7	Although our kids are older now and don't use the playground I think it is a very important piece of the Kirkwood community and will support the rebuild.	12/21/2019 6:55 PM
8	tennis courts keep them up please. thanks	12/21/2019 5:34 PM
9	We love the playground and greatly appreciate that the Pud has continued to provide this wonderful amenity for our community	12/21/2019 1:31 PM
10	I would focus it on a broader age range.	12/21/2019 12:08 PM
11	The money would be best used improving or expanding current Club House and facilities.	12/21/2019 9:30 AM
12	Miniature golf course would be more fun for the whole family!!	12/21/2019 8:33 AM
13	We need the water fountain back!!! It's a great spot for tether ball set, paint a four square court on the road, shuffle board, bocci ball court, A source of water for the kids to play with would also be nice. Could there be a locked bin for balls and other playground equipment.	12/21/2019 8:24 AM
14	Nice picnic destination, small disc putting golf targets with a bag of discs the kids can check out from kCA	12/21/2019 1:34 AM
15	Really seems underutilized. My family enjoys it but I think most people are unaware of its presence.	12/20/2019 9:56 PM
16	My family loves to visit the playground in the summer. I do agree that it needs to be spruced up. Most parks these days include a ropes web that kids of all ages enjoy. Perhaps adding a couple of disc golf baskets so the parents can practice while the kids are playing.	12/20/2019 9:03 PM
17	Love it and having the tennis courts. A mini zip line would be fun.	12/20/2019 8:45 PM
18	Climbing wall. Monkey bars. My kid is 7 so too old for the current structure now.	12/20/2019 7:42 PM
19	Its a nice space, I'd like to see it replaced for the young kids, when mine were little it was great to have a playground like that.	12/20/2019 7:31 PM
20	The playground is a great space. My kids are starting to grow out of it but we still are drawn to the area. We also use the tennis and basketball. The community would miss the playground and its a real asset. Id like to see it stay. Its a great tool for young parents, visitors and grandparents looking to get outside with the kids(without going hiking or to lake). Please keep it.	12/20/2019 11:57 AM
21	we loved this playground and used to go there all the time.	12/20/2019 5:51 AM
22	It doesn't have to be much of a play structure. Swings. cost of course would be something. ADA.. I would support structure that would double as a top of sled hill, also doesn't have to be much. Has to be designed to be functional. There is more people during snow season why no tube hill? So we must make our own in un safe areas.	12/19/2019 3:11 PM
23	At least our kid likes to swing, dig, climb and hang. If something exists to allow him that, he's not too picky.	12/19/2019 2:25 PM
24	Remove it.	12/19/2019 12:20 PM
25	I would recommend choosing design elements and features that are naturally more weather resistant and less prone to wear and tear and exposure by the weather.	12/19/2019 10:19 AM
26	Did the counties give some \$ to the playground in past?Could they now? I recall they helped fund the tennis courts under county ordinances.	12/19/2019 9:27 AM
27	Isn't all of Kirkwood a big playground?	12/18/2019 10:10 PM
28	how about a mini water park area?	12/18/2019 10:03 PM
29	My wife thinks its the playground with the best view.	12/18/2019 8:30 PM
30	Although my children are aging up, we've had great experiences using the playground nearly each summer visit to KW. It is an important part of the KW community and accordingly I fully support keeping it updated and safe.	12/18/2019 7:31 PM
31	I would rather not pay for the playground. Seem very expensive to put up/take down/maintain. I would vote to NOT replace it at the expense of KMPUD.	12/18/2019 6:26 PM
32	It's really important. It gives the young children another play option and a break for the parents. Kirkwood should be thoughtful about all ages... including the youngest Kirkwood fans. Maybe consider funding support from one of the summer events that are held in the village area.	12/18/2019 6:02 PM
33	Number 12 would not allow me to rate preference of structures. Swings, slide, jungle gym, play	12/18/2019 5:59 PM

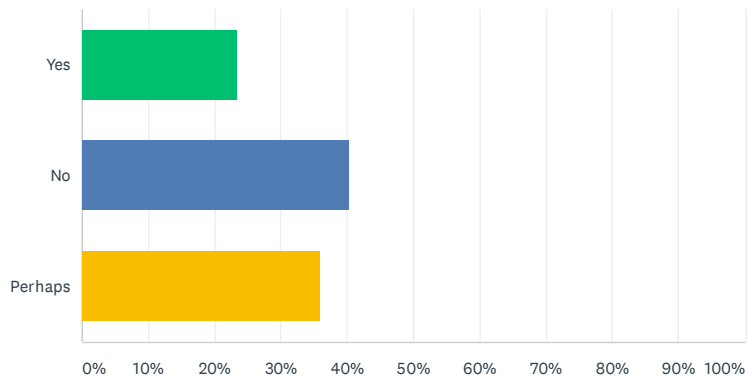

## Kirkwood Community Playground

	structure, climbing structure catch very important. Also tennis court accessibility	
34	Do not replace the playground. If it needs to be removed, please do so.	12/18/2019 5:08 PM
35	Yes, the KMPUD get part of the 10% TOT tax from Alpine County that is dedicated to recreation. Can we be transparent about the amount provided and how it is used? I would like new T pads for the disc golf course for example. Both adults and children use the course. It's a great summer recreation activity for the entire family.	12/18/2019 5:02 PM
36	When our kids were young, we went to the playground a couple times. However, all of Kirkwood and it's surroundings are a playground. Our kids/family preferred other things/activities, so we feel a playground is of little value.	12/18/2019 2:26 PM
37	The area is convenient. Nice to be near the tennis courts. Really need a toilet and a working source of drinking water, although people should be encouraged to bring their own water bottles.	12/18/2019 2:12 PM
38	See #9. Also, on funding, as an owner, and payer of property taxes and payer of over \$10k/yr of HOA fees, I would really want to know how the currently allocated budget is spent, and also what the large corporate entity in the valley is doing to step up to the plate before putting my hand deeper in my pocket...	12/18/2019 2:00 PM
39	I love having the playground there. Good to have equipment that stretches kids abilities. Be practical. Pick things easy to maintain and hard to break. The rings and seesaw sounds great. The spring are so popular with young kids. So was the digger.	12/18/2019 1:38 PM
40	Think having it in the valley for young kids is a great idea and it should be replaced.	12/18/2019 1:30 PM
41	While I no longer have young children who use the playground space, when they were younger we did use it often. Swings, slide, climbing structure, sand play area. I think this is an important amenity to keep in the area. Don't overdo it, they are young kids and don't need a ton. Just a safe place to play for an hour or so. Two important considerations in my opinion as my home is directly in front of the playground: 1. Ability to slow traffic down in front of this area. There is very little now to get cars to slow down that travel to/from East Meadows as they pass the playground. I have witnessed multiple close calls. Small children at playground, no gate/fence and cars going 40 mph without a clue. It's just a matter of time. 2. Portable restroom. We all know why. Kids on playground, their parents/supervisors, as well as anyone using the tennis and basketball courts needs this. There should be one onsite the entire time the playground and courts are open for use - at a minimum all summer or perhaps as long as the tennis courts are up.	12/18/2019 1:19 PM
42	Playground zipline	12/18/2019 12:33 PM
43	I think it's important for the community. Sorry I don't have experience with specifics....all of those items are things I remember as a kid....enjoying	12/18/2019 12:18 PM
44	Rather than assume the playground should be replaced, I'd suggest considering NOT replacing it. At most, it is rarely used, so why spend the money (and have the liability)? We already have mother nature's spectacular playground. Do children need another? Given that the cost of operating a home at Kirkwood, especially the \$200/month utility bills when I don't use my home at all and >\$500/month when I spend a couple weekends/month, I am all for not spending money on things that are unneeded.	12/18/2019 12:17 PM
45	My kids are 9 and 11 so in a few years they won't be interested in a playground. A climbing wall might keep them interested longer.	12/18/2019 12:17 PM
46	It is silly to play on a playground when there's so many other things to do outdoors. We have lots of playgrounds in the city.	12/18/2019 12:10 PM
47	No	12/18/2019 12:09 PM
48	Have a group play time so families can meet at the same time	12/18/2019 12:00 PM
49	While we don't currently use the playground, I am glad it is there and feel it is a positive addition to the Kirkwood community. It would be sad if there was one less thing to attract people to our community.	12/18/2019 11:59 AM
50	I think it's a waste of money.	12/18/2019 11:57 AM
51	I do not think that it is the role of KMPUD to fund the playground	12/18/2019 11:50 AM
52	Climbing wall #1 - not on the list to rank	12/18/2019 11:48 AM
53	No sand. Or wood chips Use the solid padded play surfaces	12/18/2019 11:43 AM
54	When my kids were little, the playground was very important to us, and I hope some day to bring grandchildren there	12/18/2019 11:39 AM
55	We used it years ago when we had young grandchildren & will use it again when the great grandchildren arrive.	12/18/2019 11:32 AM
56	No	12/18/2019 11:25 AM
57	I am filling this out re: my grandchildren to come, but I used it all the time when our kids were young. It's a really important feature for residents and potential renters. Tennis courts are in just as bad of shape and need attention. I would donate if the project included the tennis courts.	12/18/2019 11:21 AM
