Seasonal Reminders

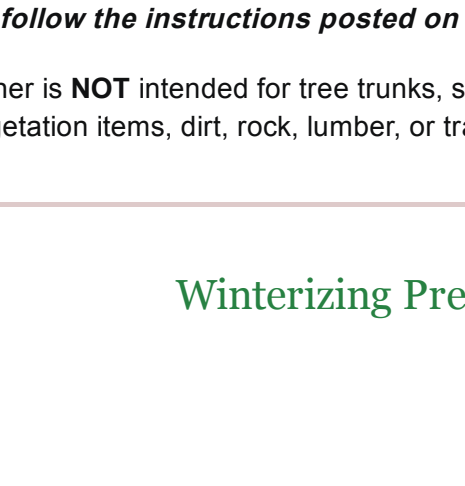

The Playground

Memorial Day, for many people, marks the beginning of summer just as Labor Day marks its end. With the many preparations KMPUD has to prepare for the end of summer, the playground is one of them. The removal of the playground equipment for winter storage is schedule sometime in September/October. The sounds of the children's laughter while playing on the playground equipment can be heard across the meadow will be missed, until next year.

Please be advised KMPUD does not own, lease, operate, nor maintain the Tennis, Pickleball, or Basketball courts.

Green Waste Container

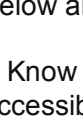

You still have time to bring your branches and limbs down to the green waste container which is still available and located on the north side of the District's maintenance shop, on Loop Road.

This container is intended to assist Kirkwood residents in disposal of green waste defensible space-type debris only. Examples are pine needles, small tree limbs, shrubs, bushes, and willows.

Please follow the instructions posted on the bin.

This container is **NOT** intended for tree trunks, stumps, non-vegetation items, dirt, rock, lumber, or trash.

Winterizing Preparations

There is not doubt, Fall is in the air. And now is a good time to consider preparing your house for winter before the snow flies. Below are a few suggestions for your winter prep check list.

* Know where your water shut-off is and ensure that it is accessible.

* Give your heating system a test run so you know it will work properly when you need it.

* Replace the filter on your furnace.

* Make sure chimneys and fireplaces are cleaned.

* Replace batteries in smoke and carbon monoxide detectors.

* Buy an extra snow shovel and put it in an accessible place.

KMPUD Community Information - Did You Know ... ?

Did you know there are three picnic tables and a corn-hole set-up located in the west side of the Meadow? Unlike the playground equipment, these are made to survive the winter conditions. Come with your friends and family to enjoy the view of the meadow with it's fall colors. Take in the sunset colors on the Red Cliffs. Or bring your corn-hole bean bags for a few games.

You can get to the picnic area by walking the Meadow or drive to the Lower 7 parking lot. The entrance is in the SE corner.
